

Technology Donations and Minimum Standards

The District appreciates all donation offers that meet the minimum standards below. Please contact us with any questions about technology donations or purchases for the district schools. Following these standards helps us ensure consistency and network manageability with the ultimate goal of providing the best educational resources for our students.

Please Note: All donations must be approved by and delivered to the Technology Office at 498 Kelly for configuration and standard software installation. Contact: Anne Bailey 712-7127, baileya@cabrillo.k12.ca.us
