

Get health insurance for ALL YOUR CHILDREN!

Dear Parent,

The Children's Health Initiative wants to help every uninsured student obtain health insurance. Free or low-cost health insurance is now available to ALL children of low and middle income families. The cost of this insurance is no more than \$60/month per child, and it is available to all children under 19 years old who live in San Mateo County and who have a qualifying family income (under \$73,248.00/year for a family of 3). This health insurance is available to your student no matter where he/she was born.

In San Mateo County, ALL LOW AND MIDDLE INCOME CHILDREN QUALIFY FOR HEALTH INSURANCE. YOUR IMMIGRATION STATUS DOES NOT MATTER!

You do not have to be a citizen or hold a green card to get this insurance.

It is very important that you complete this form today and return to the school office
