December 21, 2017

Dear Cabrillo Community,

As we all get ready for Winter Break, I want to take a moment to wish you a peaceful holiday season!

We have had a great fall in the Cabrillo Unified School District, culminating in our Varsity Boys Football team winning the CCS Championship for the third year in a row and playing the State championship game for the first time in the school's history! Go Cougars! Sports victories are exciting events for the whole community to celebrate together, but I have the privilege of learning about significant, individual triumphs by students in our schools every day – from a struggling reader who has a breakthrough moment to a student admitted to the college of their dreams. These private victories are quieter moments, but just as much cause to celebrate, and are what make our CUSD schools special!

I could not have been prouder as I represented our district this year at the Coastside Mother's Club kindergarten information event. As I greeted community members, I heard very positive feedback on our schools and so much enthusiasm from incoming kindergarten parents who are choosing our schools to help their students achieve their dreams!

Our staff and students have worked so hard throughout the fall, and I am grateful for their efforts! I hope each and every one of you finds time to enjoy the company of friends and family over the next few weeks.

Looking forward to seeing you in 2018!

Sincerely,

Jane Yuster  
Superintendent
