

Word of the Month

Curiosity

The word for March is *Curiosity* – a desire to investigate and seek understanding of one’s world.

Curiosity motivates people to:

- Explore
- Experiment
- Take a closer look
- Ask Questions
- Make predictions
- Compare/Contrast
- Draw conclusions

about the world around them.

If you would like to reinforce the Word of the Month at home with your child, below are some books with courage related themes:
